## Description

Tarrago Color Stop helps prevent color transfer. It creates an invisible layer on the inside of the shoe preventing color transfer to socks, stockings and leather. It can be applied to all types of leather: smooth leather, syntactic leather, suede, nubuck and also all textiles. Their use is more recommended for nautical type shoes, unlined shoes and sandals.

## Presentation

PACKAGING	BOX UNITS	BOX SIZES (cm)	BOX WEIGHT (kg)	PALLET UNITS (size cm)	EAN CODE
100 ml - 3,38 fl oz	12	19 x 14,5 x 15 cm	1,38 kg.	4.224 u. 120 x 80 x 183 cm	8427457049000

## How to use

1. Shake the spray.
