How to use

As a cleaner:

1. Remove superficial dirt with a Sneakers Black Sponge.
2. Pour a little quantity of product on a cloth.
3. Rub the surface to be cleaned.
4. Remove the remaining product with a damp cloth.
5. Let dry for 60 minutes.

As a stain remover:

1. Remove dust.
2. Apply a few drops directly to the stain and allow it to sit for a few minutes.
3. Moisten a cloth or sponge with water and rub until the stain disappears.
4. For suede and nubuck, before fully dry, brush with Sneakers Black Sponge. Brush again once dry.

Extra Information

- You can use the Sneakers Total Cleaner to clean the insoles from your shoes. We strongly recommend that you remove them from the inside of the shoes before applying.
- For best results, use Sneakers Nano Protector after cleaning.
