— Description

This soapy solution cleans deeply and effectively without damaging the original texture or altering the colors. As it is a cleaner with a high content of surfactants, it does not leave a residue and cleans the most resistant stains on suede and nubuck shoes and garments. Thanks to its sponge applicator, it allows deep cleaning.

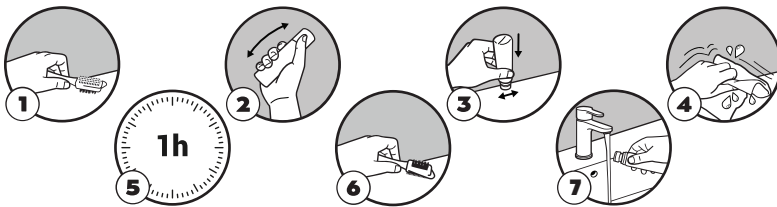

— Characteristics

- Colorless.
- With sponge applicator.

— How to use

1. Remove all dirt from the surface with the Tarrago De Luxe Suede and Nubuck Brush.
2. Shake the bottle.
3. Apply the product evenly by gently pressing the sponge on the surface.
4. Remove the remaining product with a damp cloth.
5. Let it dry for 1 hour.
6. For a perfect finish, brush again with the plastic bristle of the brush.
7. Clean the sponge with water.

— Tips

- It does not contain solvents.
- You can use Nubuck Suede Cleaner on any color.
- We do not recommend placing any suede or nubuck pieces under the water tap. This cleaner can produce a lot of foam, so be persistent in removing all dirt with a damp cloth.
- We do not recommend use a lot of water during the cleaning process.
- If you want to revive the color of the suede or nubuck after a deep cleaning, you can use Tarrago Suede Color.
- For best results and increase the shoes life, use Tarrago Universal Protector after Nubuck Suede Cleaner.
