How to use

As a cleaner:

1. Remove superficial dirt with a soft brush or sponge.
2. Pour a little quantity of product on a cloth.
3. Rub the surface to be cleaned.
4. Remove the remaining product with a damp cloth.
5. Let dry for 60 minutes.

As a stain remover:

1. Remove dust.
2. Apply a few drops directly to the stain and leave to act for a few minutes.
3. Dampen a cloth or sponge with water and rub until the stain disappears.
4. In suede and nubuck, once dry, brush with the Tarrago De Luxe Suede and Nubuck brush.

Tips

- For best results and to increase the shoe life, use Tarrago Universal Protector after Universal Cleaner.
- Due to its high detergent content, we recommend that you do a test on a non-visible place of the surface to ensure the strength of the original finish. Contains a highly nonionic surfactant with a high degreasing power.
